

PLEIN AIR PAINTING ON THE NORTH SHORE

WITH
SHEREE JONES

Saturday June 15 & June 16 - 10am - 4pm 2019

Experience the magic of painting outdoors "en plein air".

This two-day weekend workshop will provide you with the basics of drawing, colour mixing and composition in the field.

Through demonstrations, handouts and group discussion you will learn techniques used by plein air painters around the world. Explore the North Shore with me and discover new ways to see its natural beauty while enjoying the camaraderie of painting in a group.

Oils are the medium of choice for this class, but water soluble oils and acrylics are welcome.

Cost \$250.00
